There is no greater gift than the gift of education.

An education of the head, heart and hands.

Your gift is important.

In 2015 the key priorities are:

- Giving the gift of education … Opportunities that transform students’ lives through scholarships and bursaries.
- Creation of learning environments to support the dynamic learning community that is St Vincent’s College.
Gifts to the building fund will create learning environments to support the dynamic learning community that is St Vincent’s College

When completed the current stage of the building program will provide the canvas where sustainable and active learning spaces will be created.

Gifts this year to the building fund will be directed to creating communal spaces for collaborative learning, with flexible furniture, sustainable finishes and clever use of technology providing students an engaging and exciting learning environment.

Gifts to the Scholarship and bursary fund will open up more possibilities

Scholarships and bursaries at St Vincent’s College encapsulate the head, heart, hands and heritage, ensuring diversity and breadth.

head, in pursuit of academic excellence

heart, within the tradition and values of the Sisters of Charity offering financial need to those who would not be at St Vincent’s College

hands, cultivating drama and music talent with performing arts scholarships

heritage, ensuring the long tradition of boarding is accessible to rural families through boarding bursaries and generational connection through the Ex-student union Mother Mary Aikenhead Scholarship.

“The generosity of our community allows me to realise my dreams”

SVC Scholarship Student

You can make your gift by:

Via the College website www.stvincents.nsw.edu.au/make a gift where you can either download the 2015 Annual Giving form or donate online.
