The St Vincent’s College Spring Fair is arriving in all of its razzle dazzle this Sunday, and there is so much excitement and much preparation put into making the day a great fundraising celebration.

There has been a lot happening in Boarding this week. Mrs Penny Radford our (Acting) Director, is away on a training course, some of our Indigenous students are experiencing University for the Day on Wednesday, and this coming weekend there are Sports Trials for many sports including Futsal and Water polo. The girls are getting ready for their sport to start in Term 4.

has some new faces this week, and it’s wonderful to see the girls embracing the College values in positive ways. Boarding staff nominated the following girls for this week:

Paula Bassett and Sarah Griffith Year 11, Charlotte McAloon Year 10, Emily Smith, Eliza Livingstone and Allie Loeve Year 9, Cecilia Mooney and La Toyia Skuthorpe Year 8 and Donna Nalty Year 7. Thank you girls for your continual positive contributions to the Boarding community.

Linda (McCabe) and I found a little miracle in the garden yesterday; some miniature daffodils have appeared again. These daffodils were planted some years ago and we thought they had been lost when the garden had been revamped, but no, here they were! A little moment of joy in our busy week to let us know that little miracles are just waiting to be discovered.

Hope to see you all on Sunday where we will enjoy the day experiencing the tastes and delights of the College Spring Fair Market Place.

Saturday Activity Soccer Teams

Jasmine, Alyssa, Donna, Madi, Abby and Janette went to Rushcutters Bay and played soccer Saturday morning. There were three girls to a team and we used the trees as our goal posts. We had great fun and it was a lovely sunny morning. We all thought we would like to play soccer again soon.

On 16 August Year 7 and Year 8 went ice skating at Macquarie Rink. It was a fun activity even though we all fell over quite a few times. When there was 30 minutes left it all looked like we got the hang of it and started to look like all of the professionals. After skating we went and grabbed some food to eat and it was delicious. On the way back we were all talking and laughing about falling over on the ice rink.

Today we set out to go bike riding at Centennial Park. There were nine enthusiastic girls from Year 9 and Year 10. The gentleman who we hired the bikes from was kind enough to give us cool new ones. We ended up riding around the park a few times and by the end I think we could have entered The Tour de France with ease. It was a spectacular day and everyone enjoyed themselves immensely.
