

myIGSSA Mobile Screens

You do not have to be registered for mobile screens so students, coaches and parents can all access them from their smart phones, tablets or computers.

To access all mobile screens you will need to set up a bookmark- <http://m.ahigs.nsw.edu.au/>

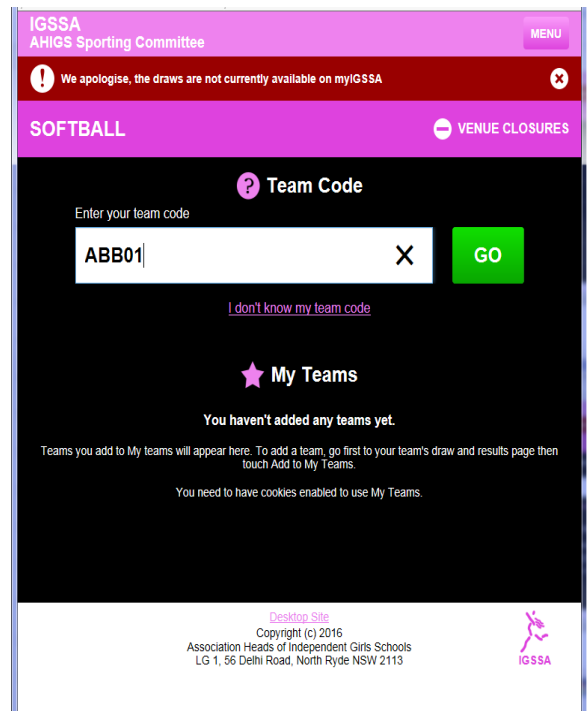

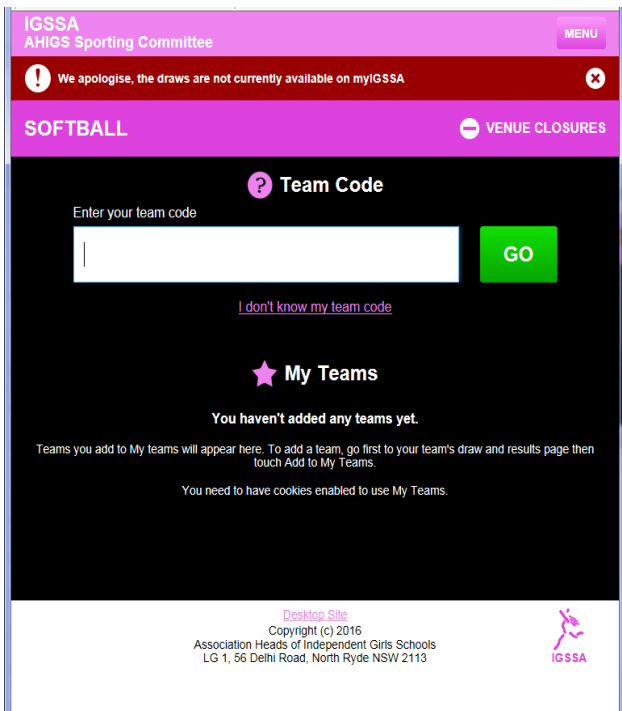

These screens will allow you to:

- ✓ Find games for selected teams (including links to maps)
- ✓ Check results and ladders (*full point score tables will still be available on the website*).
- ✓ Check venue closures

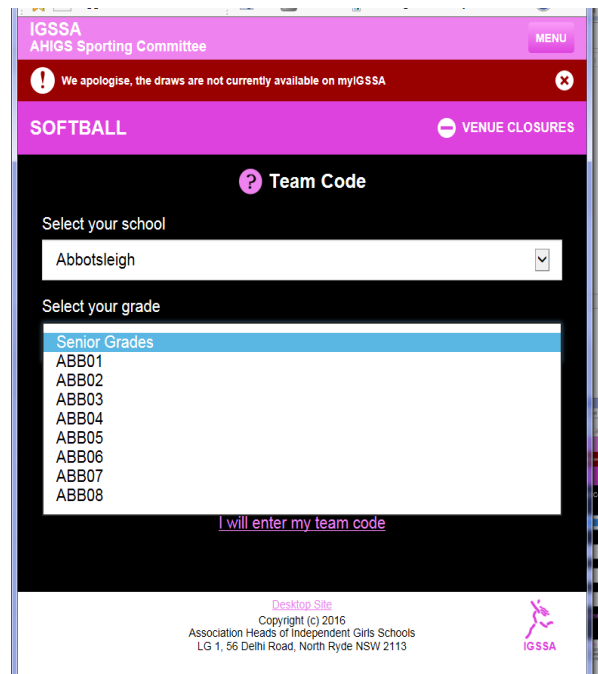

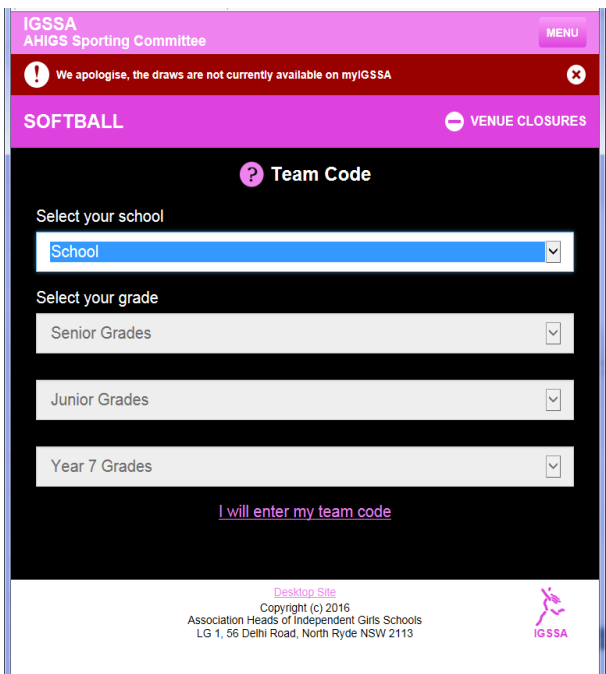

STEP 1 – Select the sport by clicking on the relevant tab

STEP 2a – If you know the team number as it appears in the draw (ie ABB01) then type it in and click go.

STEP 2b – If you DON'T know the team number as it appears in the draw, select the school name from the drop down list and then select whether you are looking for a senior, junior or year 7 team and select the team from the relevant drop down box. Once you have selected the information, press go.

To save this as your team, please click on the star next to "My Teams". You can add multiple teams to this list. So a coach can have multiple teams in their list if they wanted to.

STEP 3 – The draw will appear with the game scheduled for this weekend at the top. From here you can click on the link to a map of the venue, or once the results have been entered you can click on the team and find the results for that team.

Special note: A game that is listed as a friendly is where 2 grades have a bye and we have matched them up. They will appear as above with a venue and time listed. Where a team has a BYE, the time and venue will be listed as TBA. This means they do not have a game to play that round.

VENUE CLOSURES – Please note that this information is taken straight from our normal website. Due to the bounceback sms system and limited number of characters for messaging, we have to abbreviate the venue names so that you can get the correct information through the sms system. This unfortunately means that the link to the venue map from this page is not working on this page.

You can however find out if the venue is open or closed.

The screenshot shows the IGSSA AHIGS Sporting Committee website. At the top, there is a purple header with the logo and a 'MENU' button. Below the header is a red banner with a warning icon and the text: 'We apologise, the draws are not currently available on myIGSSA'. Underneath the banner, it says 'Last venue closure update: 04/02/16 11:03 AM'. The main content is titled 'Venue Closures' with a minus sign icon. There are two sections: 'Softball' and 'Tennis'. Each section has a table with three columns: 'VENUE', 'STATUS', and 'SMS KEYWORD'. All venues listed are currently 'OPEN'.
