NOTICE OF WITHDRAWAL

A full term's notice must be given in writing advising that a student will be leaving the College, or not returning for the following year.

A full term's notice must be given in writing where a student is being withdrawn from College Boarding Facilities.

If such notice is not given, one term's fees (10 weeks) will be payable in lieu of notice. This applies to new students commencing at the College once enrolment acceptance has been received.

OVERDUE ACCOUNTS

The College encourages parents experiencing difficulties in paying fees to contact the College at the earliest opportunity.

All fees are payable by the due date for each instalment. Alternatively, under a payment arrangement for recurrent periodic payment by debit and credit card, fees must be paid in full by the end of November 2023.

A penalty for late payment of fees of \$90 per account to a maximum of \$360 per annum may be applied if:

- An account is not paid by the instalment due date and there has been no payment arrangement established; OR
- There have been defaults on the payment arrangement and this has not been rectified by the family including payment for any bank fees incurred; AND/OR
- There is no communication from the family to the College regarding the non-payment of school fees.

Where College billing terms are not met and an approved payment arrangement is not in place, then this will constitute a default on payment arrangements, the total amount outstanding will become immediately due and the College may refer the matter to a debt collection agency or commence legal action to recover the debt. Any collection and legal costs incurred by the College will be passed on and payable by the parents.
